Student and Parent Resources

Skyward (E-mail, “Snail” Mail and Gradebook)

The North Ridge Band will use **Skyward** to communicate with parents during the year. We do most of our communication with parents via e-mail. Please make sure your contact information is up-to-date in Skyward. You can contact the front office to make any changes. You can also keep up with your child’s grades for all classes in Skyward.

Charms (Financial Records)

Charms is a web platform that allows parents to make payments for fees online with a credit card. **The NRMS band is "paper free!"** We ask **ALL** payments be made online via credit card through "Charms." *For those unable to pay by credit card, please e-mail Ms. Shadman to arrange payment by a parent in person.*

Remind (Texted reminders for PARENTS and STUDENTS)

The band uses “**Remind**” to communicate with parents and students. You do not have to have the app to receive messages. Text the appropriate “code” to 81010. Codes sent via email to each class.

Canvas (Web-based classroom)

Each class will use Canvas as expected by the district for their assignments that will be due online and to access external practice tools such as Smart Music

Smart Music (Digital practice tool/recording platform)

Each student will have an individual Smart Music account where they will submit recordings to earn credit. Instructions located in Canvas.

Phone Calls

We highly recommend contacting us via e-mail or Remind for a prompt response. Should you desire to speak to a director in person instead of via e-mail you may leave a voicemail on the Band office phone at 817-547-5240. Calls returned the next day.

Private Lesson Program: *Lessons may be conducted REMOTELY during Covid19.

Private lessons allow our students the opportunity to study one-on-one with a professional on their instrument. This individual attention focuses on your child’s specific needs as a musician. The private lesson curriculum is designed for the more rapid advancement of the individual student.

. The private lesson program has become an integral part of the NRMS band program. As a student prepares for district and region band auditions, solo and ensemble contest, high school band, etc., the private teacher plays a very important role in his/her success.

Private Lessons cost \$18 per week and can be taken during band class or before/after school according to each teacher’s availability.

If your child will be absent from school for any reason, it is the parents responsibility to communicate in advance with the private teacher

Our goal is 100% of our students enrolled in private lessons. Please contact Ms. Shadman to inquire about financial assistance. You may sign up by contacting a private teacher directly from the band website.

Eligibility (NO PASS-NO PLAY)

Students must have all grades above a 70 in order to participate in any extra-curricular event or performance where awards or scores are given. This is a state regulation that we must follow! Students with any grades under 70 will not be allowed to attend contests and festivals.

Co-curricular activities

These activities are an extension of classroom instruction and are a way to demonstrate what has been learned in class. Band activities such as concerts are co-curricular activities and students are required to participate regardless of eligibility.

Extra Curricular Activities

Performances at contests, band festivals, and athletic events are considered extra-curricular and are subject to eligibility rules. Participation in the extra-curricular activities is based on eligibility requirements set by the state law. “No pass – No play” rule is in effect for these activities.
